Hi Chad,

Thanks for using Stripe!

We're reaching out to request some information about your business that we couldn't verify using your website or your Stripe account details.

We have provided access to your bank account info and can verify your business.

To allow us to verify your business, we'll need you to respond to this email with each of the following, as applicable to your business:

- A screenshot showing that I clearly show the products you're selling (don't include photos of unrelated items) and illustrate the typical quantity you hope to sell;

Please include a stream of output in the photo that notes the date the photo was taken.

You can attach the photos in your reply to this email. Once you've provided them, we'll review the information and get back to you within 48 hours.

If you have any questions, let us know and we'll be happy to help.

-The Stripe Team

I didn't create these products. Is there a phone number I can call for stripe?
